

## Report of Mission Partners' Day at Mysore Unit

The Mission Partners' Day was celebrated at Good Shepherd Convent Mysore on 1 September, 2024. It was a day of blessing to the Community as 10 lay women and 02 lay men solemnly renewed their promises courageously before the Altar. We had a simple yet grand celebration on this day.

A meaningful Eucharistic Celebration was organized by the Community for the Partners, thanking God for His manifold blessings showered upon us through the loving and generous service of our Partners' in Mission at Mysore. Like the twelve apostles, our twelve PIM members had a memorable day. Fr. John Marie, Montfort, meaningfully celebrated the Holy Eucharist highlighting the importance of their vocation and commitment. Sr. Molly gave the introduction, briefing on the origin of Good Shepherd Partnership. Sr. Hilda read the Prayer of the Faithful. The angelic choir consisting of Community Sisters sang in the vernacular, with their melodious voice which added to the solemnity of the celebration. The Partners solemnly renewed their promises during the Eucharistic Celebration. They offered groceries at the Offertory Procession, like the widow's mite in the Bible. After the Eucharistic Celebration we treated them to a sumptuous lunch. The Community offered a gift for each Partner as a token of appreciation and gratitude. They were enriched by this simple celebration. It was a moment of joy and contentment.

We thank the Almighty for His continuous intervention in all our efforts to carry forward our Good Shepherd Mission. We fondly remember all those who were instrumental for the formation of the Partners at Mysore. We thank Sr. Hilda John and Sisters who kindly extend their constant support and encouragement. We are grateful to Sr. Shalini Podimattam the Link

Councilor for the PIM and Sr. Lissy Chacko, Province Leader for their constant guidance and support provided at all times. May the Shepherd God continue to lead all of us.

Sr. Molly  
Co-ordinator for PIM  
Mysore
